Dear Examiner Ewoldt:

We were notified by Supervising Examiner Christina Chan via telephone, who spoke with Jonathan Alan Quine (the Managing director of our office), that the revised restriction requirement has been vacated and that no further response to the revised restriction requirement is required by Applicants. She notified us on Wednesday September 18, 2002. Supervising Examiner Chan had consulted with Julie Burke, who is a 371 PCT special program Examiner, regarding the revised restriction requirement. As a result of Supervising Examiner Chan's discussions with Julie Burke, Supervising Examiner Chan stated that Groups I and II will be rejoined. She also said that whether the other groups (groups III and IV) would also be rejoined would depend on whether or not there is art found that would disrupt the unity of invention.

RADEMACHER, Thomas William et al.
